

# Fellows Honoured

The RSE offers its congratulations to the following Fellows who recently have been honoured in various ways:

**Professor Margaret (Mandy) MacLean**, (below) Professor of Pulmonary Pharmacology, University of Glasgow, has been awarded a Senior Research Fellowship by the Royal Society Leverhulme Trust. She also recently won the *AstraZeneca Prize for Women in Pharmacology* from the British Pharmacological Society for her outstanding research contribution to the field.

**Professor Vicki Hanson**, (below) Professor of Inclusive Technologies at the University of Dundee, has been named one of 2013's *Women of Vision* by the US-based Anita Borg Institute. The *Women of Vision Awards* honour women leaders contributing to significant change in high technology fields.

**Professor Roland Paxton MBE** (on right), Institute for Infrastructure and Environment, School of the Built Environment, Heriot-Watt University, was presented with a *Certificate of Appreciation* in August 2013, by Andrew Herrmann (left), 2012 President of the American Society of Civil Engineers (ASCE), to thank him for his contribution and continued dedication to the History and Heritage of Civil Engineering.

**Professor Sir Paul Nurse Kt PRSE HonFRSE**, has been awarded Honorary Fellowship of the British Science Association, announced at this year's British Science Festival Dinner – he is also President-elect of the BSA for 2014–15.

**The Very Rev Professor Iain Torrance TD DD**, Pro-Chancellor of the University of Aberdeen, has been appointed by the Queen as Dean of the Chapel Royal in Scotland.

**Professor Jason Reese (left)** has been appointed the Regius Professor of Engineering at the University of Edinburgh from 1 October 2013. He is the ninth holder of the Regius Chair, which was founded at Edinburgh University by Queen Victoria in 1868. Professor Reese, who joined Edinburgh from the University of Strathclyde, took over the post from recently retired Professor Peter Grant OBE FRSE.
